Panel mounting

Bayonet Cap

Black UL94V-0 flame retardant bodies with choice of cap release and panel fixing method. Option of rear tab orientation. Tab size 4.8 x 0.5mm which can accept fast-on connectors*. To IEC 257 with Semko, CSA approvals and UL recognition. Rated 10A, 250V.

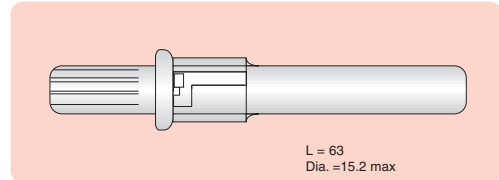

Type	Panel Fixing Method	Hole Dia (mm)	Overall Length (mm)	Manf. Part No.	anglia Order Code
10A RATING					
A. Finger release	Nut	12.8 D shape	51.6	HTB221	646014
B. Finger release	Nut	12.8 D shape	42.9	HTB241	646030
C. Screwdriver release	Nut	12.8 D shape	55.5	HTB321	646032
D. Screwdriver release	Nut	12.8 D shape	46.8	HTB341	646034
E. Screwdriver release	Snap-in	14.3 (x 12.7)	55.6	HTB921	646036
F. Screwdriver release	Snap-in	14.3 (x 12.7)	46.9	HTB941	646038

* For suitable crimp terminals refer to the Connectors section.

In-line mounting

Moulded, bayonet action assembly for low voltage applications. Rated 5A.

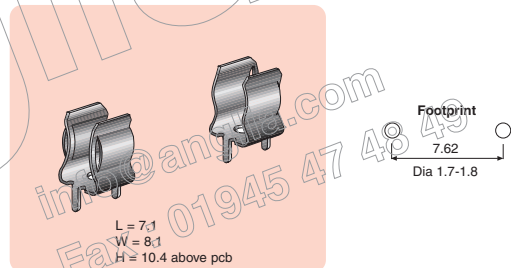

Type: Finger release
anglia Order Code: 646005

PCB mounting

Fuse Clips

Tinned brass fuse clips, with end stops, suitable for pcb mounting via two in-line lugs. Supplied loose. Designed for applications where fuse insertion/extraction is infrequent. Rated 15A but limited by the pcb track.

Type: In-line lugs
Manf. Part No.: 1A1907-06
anglia Order Code: 646100
