

Product/Process Change Notice - PCN 13_0266 Rev. A

Analog Devices, Inc. Three Technology Way Norwood, Massachusetts 02062-9106

This notice is to inform you of a change that will be made to certain ADI products (see Material Report). Any issues with this PCN or requirements to qualify the change (additional data or samples) must be sent to ADI within 30 days of publication date. ADI contact information is listed below.

Note: Revised fields are indicated by a red field name. See Appendix B for revision history.

PCN Title: Test Transfer of Select LFCSP Products to STATS ChipPAC China
Publication Date: 25-Jun-2014
Effectivity Date: 07-Jul-2014 *(the earliest date that a customer could expect to receive changed material)*

Revision Description:

Added parts and Test Correlation Summary

Description Of Change

ADI is transferring to subcontractor STATS ChipPAC China for the test manufacturing of select LFCSP products.

Reason For Change

ADI is transferring products to STATS ChipPAC China(SCC) due to the closure of STATS ChipPAC Malaysia(SCM) at the end of 2014. The use of STATSChipPAC China (SCC) as an ADI test site for products in LFCSP will ensure continued source of product supply. Products will continue to be tested on the same platform, using the same Analog Devices test programs, monitors and controls.

Impact of the change (positive or negative) on fit, form, function & reliability

No change in fit, form, function and reliability.

Summary of Supporting Information

Test correlation and validation has been performed per ADI's standard site to site product transfer correlation procedure. See attached test qualification summary.
