Dear Customer,

We have been advised by our supplier Inalways Corporation that the safety approval is being updated to the part numbers shown below with immediate effect. Future product will be marked with the European Certification ENEC 15 whilst ENEC 16 & VDE markings will be removed. The change is made in accordance to European ENEC regulations and does not affect the form, fit or function of the products.

For more information on ENEC approval standards and certifications please visit [www.enec.com](http://www.enec.com)

Part numbers: 672650 & 672380

Anglia operates a strict FIFO system in our Distribution Centre therefore, it may take some time for this change to filter through to customer deliveries of the above part numbers.

Please make the relevant person(s) in your organisation aware of this change.

Yours Sincerely  
Anglia
