## Reason for the Change

The supplier's company name changed, so the labels changed.

## Change Impact on Form, Fit, Function, or Reliability

We will begin shipping the affected product with the change 30 days after the PCN Issue Date. Customers may receive shipments containing both current and new humidity indicator and desiccant until the inventory is

depleted. Customers purchasing through a distributor will be further delayed to see this change until the inventory depleted from distributor stock.

This has no impact on the form, fit, function, or reliability of the above series LEDs. No customer action is required. This product change affects neither the order codes nor the bin codes.

## Key Dates

Table 2 provides estimated dates for key PCN Milestones based on information available at the date the PCN was issued. Any updates to these dates can be provided by the Cree LED contact listed in Table 3.
