Re: Embossed tape change on DF9 and DF17 series

Dear Customer

Hirose have informed us of a change on the embossed tape on the DF9 and DF17 series.

Please refer to the separate PDF entitled "DF9-DF17 Tape Change" for more information. The change is regarding the shape of emboss tape. The schedule is to change from April 2012.

Also regarding to DF9, the pitch of each emboss pockets will be changed. This is shown on the following parts listing below. The numbers in the 4th and 5th columns refer to the current shape and the shape after the change.

Please make the relevant person(s) in your purchasing and engineering departments aware of this change to avoid any disruption to your manufacturing.

Yours Sincerely

Anglia
