

14 March 2011

Dear Customer

Product Change Notice

The switch manufacturer ECE has advised Anglia of a change to their EDG series of DIL switches. The selective plating of the PCB pins is changed from gold to tin; all other specifications of the switches remain unchanged.

Products affected by this change are:

ANGLIA ORDER CODE	ECE PART NO	NEW ECE PART NO
447008A	EDG108S	EDG108S33
447004A	EDG104S	EDG104S33

We still have some stock of these parts and as stock is replenished the new stock will be have the new plating.

Yours Sincerely

Anglia
