

	TECHNOLO	G I E S		Product and Process Change Notice				
PCN No.	PCN03041	PCN Date	7/14/2021	Effective Date	10/12/2021			
Title								
Evers	pin is adding S	ilTerra as a	2 nd qualified CMOS v	wafer processing s	site for 16Mb x8/16 and 8	BMb x16 BGA	A products.	
No ch	ange to MRAN	A wafer pro	ocessing.					
	on For Change							
				exibility, Everspin	is adding SilTerra as a CM	IOS wafer pr	ocessing site	
	Mb x8/16 and	I 8Mb x16 E	3GA products.					
Affec	ted Products							
Part	Number		Description	Part Numb	per	Description		
MR4	A16BMA35		Commercial Tem	o. MR4A16BI	MA35R	Commercial Temp., T&R

MRAM FAB		Everspi	n Chandler	Everspin Chandler				
Produ	ict Identifier							
There will be no changes to part number. Everspin maintains traceability of product by trace code marked on the package.								
Supplier Qual Plan Schedule and Results								
SilTerra process qualification is complete and all Everspin requirements met; a qualification report is available on request.								
Date Qualification Samples Are Available:								
Samples are generally available now but please request your specific part number to your Everspin Sales contact.								
Acceptance of Change								
Everspin will consider this change accepted unless specific conditions for acceptance are provided in writing within 30								
	of receipt of th							

Product and Process Change Notice
