RE: LFPCN 41395 - TVS STD DO-214AC(SMA) and DO-214AA(SMB) packages additional Assembly/Test location approval

To: Our Valued Customers

In order to support fast-growing demand and secure continuity of supply for our customers, Littelfuse will add an additional assembly/test location in China for the assembly/testing of TVS STD DO-214AC(SMA) and DO-214AA(SMB) packages.

There will be no change to the form, fit, function, quality, or reliability of the products.

All affected products have been fully qualified in accordance with established performance and reliability criteria. Please refer to the attached affected parts list and the attached documentation for qualification result and change details.

Form, fit, function changes: None

Part number changes: None Effective date: Feb 1st, 2022 Replacement products: N/A

Last time buy: N/A
