## RE: LFPCN 41392 - TVS STD SMT package SMB and SMC die size standardization

To: Our Valued Customers

Littelfuse would like to notify you of standardizing die sizes for Commercial Grade TVS Diode surface mount package DO-214AA(SMB) and DO-214AB(SMC) to improve the manufacturability and assembly processes.

The form, fit, function, quality and reliability of the affected products will remain the same. The electrical performance and datasheet specifications of the affected products will remain unchanged. Package dimensions of the affected products will remain the same.

All affected products have been fully qualified in accordance with established performance and reliability criteria. Please see the attached documentation for qualification results, change details and affected part numbers.

Form, fit, function changes: None

Part number changes: None

Effective date: Aug 15<sup>th</sup>, 2021 and rolling change

Replacement products: N/A

Last time buy: N/A

This notification is for your information and acknowledgement. If you have any other questions or concerns, please contact your local sales team or product team below for further assistance.

We highly value your business and look forward to assisting you whenever possible.

Sincerely,

Jenny Chen Assistant Product Marketing Manager Commercial TVS Products Tel: +86 510 85277701 Ext – 7965 Jchen7@littelfuse.com

800 E. Northwest Highway Des Plaines, IL 60016

## Product/Process Change Notice (PCN)
