

Product /Process Change Notification

PCN-20220290

Effective date: May.1st, 2023

Subject:

An additional manufacturing site for SMD ChipLED C150/C170/C171 product families in Thailand.

Description of change:

In line with strategic growth, Lite-On Technology Corporation will add an additional site (Lite-On Thailand) for improvement in manufacturing efficiency and delivery performance.

There would be no differences in materials used as compared to that of the currently approved Lite-On SMD production line. Lite-On will continue to ensure better product quality, lead-time and delivery schedule to our customers.

Reason for change:

An additional manufacturing site for SMD ChipLED C150/C170/C171.

Expected influence on quality/ reliability/ performance:

There is no effect on product quality and performance.

Affected part numbers/ series/ families:

- LTST / LTW / LTSN 150 series
- LTST / LTW / LTSN 170 series
- LTST / LTW / LTSN 171 series

Effective Date of Change:

Shipment delivery from Thailand factory will start from May 1st, 2023.

Sample availability:

Samples from Thailand Factory will be available on request from Apr. 1st, 2023.

Response date:

This PCN is considered approved, without further notification, unless we receive specific customer concerns within 1 month after the PCN issuance date.
