

February, 2021

Dear Customers

[Notification] Silicon RF product high power Module (RA Series) materials change

Thank you for your great efforts on SiRF business.

With the discontinuation of production of component parts (PCB, capacitors), we will change the materials used for the corresponding 13 model names (as below table).

We apologize for the inconvenience caused on your customers, and your fully understanding and support would be highly appreciated.

Sincerely

Note

1. Applicable Products: RA30H/RA33H/RA60H/RA80H Series

2. Name of 13 models to be changed (as below table(1))

- We do not change the name of the models/part numbers.
- There are no changes to the contents of the delivery specifications and reliability.
- We may be going to revise the price due to the cost increase of alternative materials.
- We will make a running change.

2-1. Timing for the Change Validation (sample availability)

- Characterization confirmation : January, 2022
- Reliability confirmation : April, 2022

27th October 2021 - Updated Change Schedule

No.	Part number	ES		CS		MP				
		Original	Update	Original	Update	Original	Update			
1	RA80H1415M1-501	Jan-22	Nov-21	Apr-22	Mar-22	Apr-23	May-22			
2	RA30H3847M1-501						Jun-22			
3	RA30H4452M1-501									
4	RA60H3847M1-501									
5	RA60H4452M1-501									
6	RA60H3847M1A-501							Dec-21		
7	RA60H4452M1A-501							Nov-21		
8	RA33H1516M1-501							Dec-21		
9	RA60H1317M1A-501							Jan-22	Apr-22	Mar-23 onward
10	RA60H1317M1B-501									
11	RA30H1317M1-501									
12	RA30H2127M1-501									
13	RA30H3340M1-501									

* MP schedule is the current estimation.

ES= Engineering samples, full spec without reliability confirmation
CS = Commercial Samples, full spec including reliability confirmation
MP = commencement of mass production.
