Notice: Not Recommended for New Design Metal Oxide Film Resistors/Metal Film Fuse Resistors

Hereby Panasonic announces not to use Metal Oxide Film Resistors/Metal Film Fuse Resistors for new design.

1. Affected Products

- Product name: Metal Oxide Film Resistors/Metal Film Fuse Resistors
- Panasonic part number: ERG series, ERX series, ERQ series

2. Reason of Announcement

- Panasonic decided that it is difficult to continue business, because the demand, production volume and sales of Metal Oxide Film Resistors has decreased.

3. Implementation date

- NRND effective date: from the date of acknowledgement of this letter.

*It is planned to announce EOL in near future
