

04 August 2022

Dear Customer

We have been notified by NOVER that axial can sizes **5.0x12.5mm** for the TE series is no longer economically viable for NOVER's raw material supplier to continue to produce.

The following part numbers will now be manufactured using a larger standard can diameter size of **6.3x12.5mm**:

Nover TE Part No.	Description
051006	TE ELEC 47UF 10V (AX)
051016	TE ELEC 10UF 16V (AX)
051017	TE ELEC 22UF 16V (AX)
051000	TE ELEC 10UF 25V (AX)
051038	TE ELEC 10UF 40V (AX)
051058	TE ELEC 1UF 63V (AX)
051059	TE ELEC 2.2UF 63V (AX)
051073	TE ELEC 1UF 100V (AX)

The changes are dimensional only and do not affect the electrical functionality of the parts. See datasheet attached for full parts listing.

These changes apply with immediate effect to shipments from manufacturer NOVER to Anglia. Anglia operates a strict FIFO system in our Distribution Centre facility; therefore, it may take time for this change to filter through to customer deliveries of the above part number(s).

Please make the relevant person(s) in your organisation aware of this change.

Yours Sincerely

Anglia
