

## Product/Process Change Notice - PCN 12\_0218 Rev. -

Analog Devices, Inc. Three Technology Way Norwood, Massachusetts 02062-9106

This notice is to inform you of a change that will be made to certain ADI products (see Material Report). Any issues with this PCN or requirements to qualify the change (additional data or samples) must be sent to ADI within 30 days of publication date. ADI contact information is listed below.

**PCN Title:** ADIS16360 Series Topside Label Marking Change  
**Publication Date:** 07-Sep-2012  
**Effectivity Date:** 30-Sep-2012 *(the earliest date that a customer could expect to receive changed material)*

### Revision Description:

### Description Of Change

The topside marking label currently contains Logo, part number, serial number, lot number, country of origin, datecode and ESD/Pin 1 identification. The serial number will be removed from the topside marking but remain in the internal register.

### Reason For Change

Improve manufacturability -- removal of redundant information. The internally programmed serial number contained in register location 0X56 will remain unchanged and allow for complete traceability.

### Impact of the change (positive or negative) on fit, form, function & reliability

None.

### Product Identification *(this section will describe how to identify the changed material)*

Datecode 1222 or higher.

### Summary of Supporting Information

None required, marking content change only (no process change).

### Supporting Documents

#### Attachment 1: Type:

ADI\_PCN\_12\_0218\_Rev\_-\_PCN12\_0218 ADIS16360 Topside Label Marking.pdf
