PhotoMOS®, Phototriac Coupler and MOSFET Driver

Change of packaging specifications

We would like to inform you that we will be affixing a label to the moisture proof sealed packaging. We kindly ask you to inform your customers and obtain their acknowledgement.

1. Reason

In order to make the part number clear with the moisture proof sealing.

2. Target Products (SMD type)

PhotoMOS® (SOP, SSOP, SON and VSSOP types)

Part No.	AQV[]S[], AQW[]S[], AQY[]S[], AQS[]S[],
	AQY[]V[], AQY[]M[], AQY[]T[]

Phototriac coupler (SOP type)

Part No.	APT[]S[]
----------	------------

MOSFET driver (SOP and SSOP types)

Part No.	APV[]S[], APV[]V[]
----------	------------------------

Notes) • []: Packaging type: Either of no display, X, Z, V or W.
• []: 3 to 5 alphanumeric will be here.

3. Part number, price, specifications and packing quantity remain unchanged.

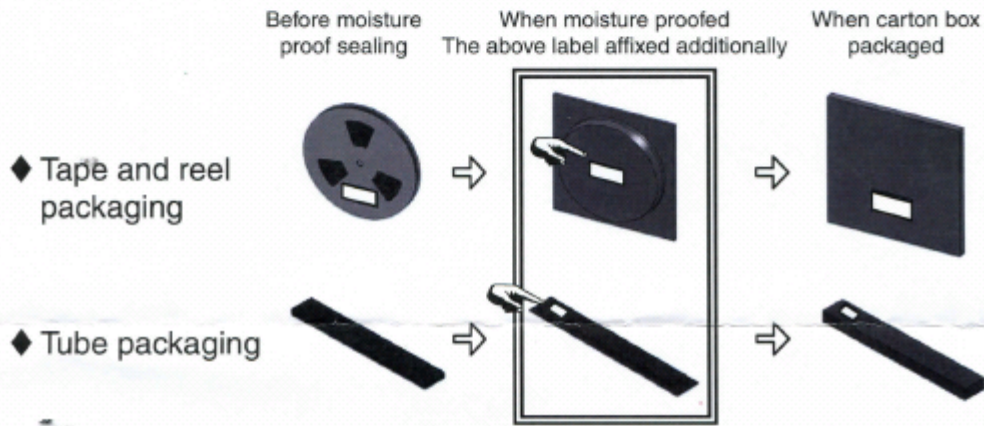

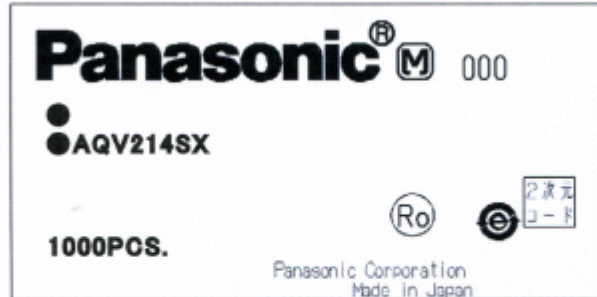

4. Schedule

From April, 2014 production onward

5. Content of Change

The following label will be affixed to the moisture proof sealed bag.

Example

*Tape and reel packaging: The conventional part number label present even before moisture proofing and with carton box packaging.

Tube packaging: The conventional part number label present even with carton box packaging.
