Description of change:	<p>Within the harmonization of Telit and Thales (Cinterion) processes it is planned to introduce Telit Cinterion brand and modify labels of packaging material such as on reels, drypack, overbox as well as shipping label.</p> <p>For the new layout of the packaging labels please refer to pages 2-3. Together with the new Telit Cinterion brand additional internal information have been added.</p>
Availability ex warehouse:	The label layout modifications will be effective from end of Dec. 2023. Please be aware that already produced goods in our warehouse will keep the previous label layout.
Timing note:	As above mentioned, changes of packaging material are considered as cosmetics without negative impact on the usability of our products or customer processes Telit Cinterion Deutschland GmbH assumes that the customer agrees to the change.

Quality assurance measurements:	The new version fulfils all internal test requirements according to our Quality Management process and philosophy.
