

PCN-0821-26-0001	Product Change Notification	Date 03.02.2026
Ordering Code changes: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No		
Product	Current Ordering Code	Replacement Ordering Code
LE910Q1-WW	LE910Q1WW02T030800	LE910Q1WW03T040800
LE910Q1-WWG	LE910Q1WG02T030800	LE910Q1WG03T040800

Reason of Change:

- Technical requirement
- Customer requirement
- Quality improvement
- Change of production process/logistical changes
- Location of production moved
- Other: new firmware introduction

Description of change:	<p>We, Telit Cinterion, would like to inform you about the availability of new LE910Q1-WW and LE910Q1-WWg ordering codes with firmware release 52.00.xx4 / Modem M0Y.xxxxx3 without US MNO approvals, i.e. for US roaming only.</p> <p>The new ordering codes listed in the table above comply with the requirements of EU RED Delegated Act on Cybersecurity (Commission Delegated Regulation (EU) 2022/30), commonly known as “RED Cybersecurity requirements”.</p> <p>Release notes are available on Telit Cinterion website or via the Technical Support team.</p> <p>Telit generally recommends using the latest firmware versions. For this reason, ordering codes with firmware 52.00.xx3 listed in the table above are Not Recommended for New Design (NRND).</p>
-------------------------------	---

Quality assurance measurements:	The new version fulfils all internal test requirements according to our Quality Management process and philosophy.
