

Form for product change and product discontinuation notifications (PCN) and (PDN)

Master data of the manufacturer

Identification key (ID) of the PCN / PDN:	PCN2518	Design Change in Contact Module-Housing	PCN
Date of publication:	17.09.2025		
Revision number: (optional)		Series: 45	Type of notice

Street: Tannwaldstrasse 88
Postal code: 4601
City: Olten
State: Solothurn
Country Code: CH

Manufacturer's Affected Items

Pos.	Manufacturer part number	Designation (Name/short text)	Category of the item
1	See List	See List	electro mechanical
	Type designation or drawing (if applicable)		Revision status (if applicable)
	SOP (optional)	EOS (if applicable)	EOP 01.04.2026
	Other identifying characteristics (optional)	Category of the type of PCN/PDN Production process	LTD (if applicable)
			EOSR (optional)
			Manufacturer part number of the proposed replacement (if applicable)

Description given by the manufacturer

Technical Description

Due to an improvement in the production process there is a desing change in the housing of the contact module. No impact on interface, assembly, or anything else.

Attachment (optional)

List of affected Products

Identification of the changed item(s)/product (if applicable)

Legend

PCN	Product Change Notification
PDN	Product Discontinuance Notification
SOP	Start of Production
EOS	End of Sale
EOP	End of Production / Effective Date
LTD	Last Time Delivery
EOSR	End of Service and Repair
