
Issue Date: **February 10th, 2025**

Reference: **LFPCN250210**

Dear Valued Customer,

This notice is to inform you of a product change that may affect selected items that you purchase from Littelfuse.

Description of Change:

- Littelfuse stops the supply of the mounting screws shipped along with its Y1 bipolar power modules (3 screws + washers per Y1 module).
- Our dear valued customers shall procure all required screws and washers on their own after the effective date of change (detailed screws information in annex 1).
- The list of the affected Y1 power modules is indicated in annex 2.

Reason for Change:

- Littelfuse is committed to responsibly conducting its manufacturing and distribution operations to protect our employees, communities, and the environment.
- This supply stop will lower the weight of the parcels shipped all around the world thus its impact on the environment.
- Many customers using automated assembly equipment don't even use the screws delivered with the modules.

Effective date of change:

- March 2025

Last time buy: N/A

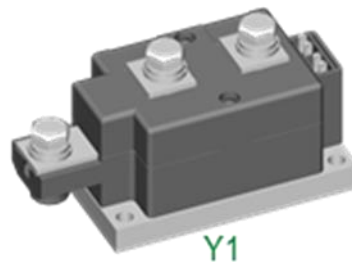

This communication letter is for your information and acknowledgement.

If you have any other questions or concerns, please contact your local Littelfuse sales representative or Product Manager below for further assistance.

Best Regards,
Pascal Ducluzeau
Sr. Product Marketing Manager, Power Modules
Semiconductor Business Unit
