Dear Valued Customer,

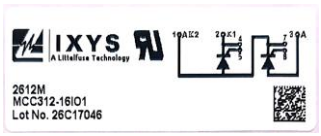

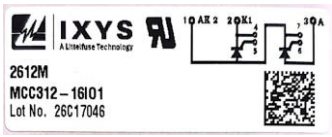

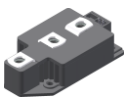

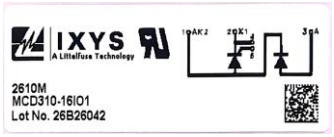

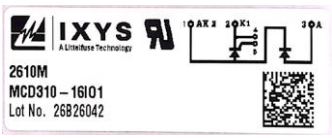

This notification letter is to inform you that Littelfuse has implemented a product label standardization initiative for module products under Y series and Compack packages. This change introduces an online-generated label via the SAP system.

This aims to improve label readability, QR code scannability, and consistency across applicable packages, while supporting Littelfuse's continuous improvement and standardization efforts. Please be advised that this update does not impact the form, fit, or function of the final products.

Refer to the attached product list on the last page for detailed information on the affected products

Affected Packages	: Y1, Y2, Y4 and Compack
Form, fit, function change	: No change
Bill of materials change	: No change
Effective Date	: May 11th, 2026
