## Product Change Notice (PCN)

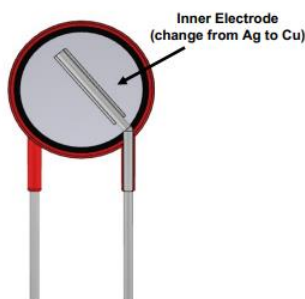

January 7<sup>th</sup>, 2025

LFPCN# 41544

**Inner Electrode Change of 20mm Varistor used in SPD Product LSP05G, LSP05GI, LSP05HST and 0ASM Series**

To whom it may concern,

Littelfuse would like to notify you of a change for the inner electrode of 20mm varistor used in SPD products LSP05G, LSP05GI, LSP05HST and 0ASM series as shown in below picture.

This change has no impact to product's original electrical parameters, dimensions, quality, reliability and part numbers. This change will be implemented starting from **April 7<sup>th</sup>, 2025**. During the change transition period, customers are expected to receive current and new products until current product inventory in Littelfuse warehouses and distribution channels are depleted.

Please see the affected part number list and respond to us by **February 7<sup>th</sup>, 2025** to acknowledge this product change notification. If we do not hear from you, we will expect this product change notification has been accepted and no further action is required.

Best Regards,

Amy Chu  
Global Product Manager  
Littelfuse, Inc.
