Subject: Addition of production capacity for certain fuse holders for assurance of supply

With regards to the above reference, Littelfuse would like to inform you that we would be increasing our production via another plant in China for assurance of supply for the below mentioned part numbers.

80000000005
80000000105
81500000005
82000000005
83700000005

For the holders that would be shipped out from China factory would have COO China as the single change on the label.

There are no changes to the electrical specs as defined in the datasheet, no changes in the form, fit and function of the holders. Please see attached for validation report.

There are no changes to the part number.

We would do the running change for shipments from Nov. 9th, 2026 in the plant.

Please let us know should you have further queries.

Best Regards;
