Dear Valued Customer,

This PCN C0598 notice is to inform you of a change of some items that you have purchased from Littelfuse.

***Description of the Change:***

As part of our ongoing efforts to improve our production processes, we are implementing a new winding machine that will replace the current line, which has reached the end of its operational life.

This new installation represents a significant investment aimed at ensuring greater reliability, quality, and long-term production continuity.

In conjunction with this transition, we will be consolidating certain versions of the coils currently produced on the old line to align with the new technologies and ensure optimal efficiency.

Please be assured that this activity has been carefully planned to maintain the high quality and performance standards of our products, while supporting a streamlined and modernized production process.

Should you require any further details or clarification, our commercial representatives will be fully available to provide any additional information you may need.

Test result will be available upon request.

***Reason for The Change:***

Current winding machine reached the end of its operational life.

***Effective Date of the Change:***

March 2025

***What You Need to Do:***

No change is required on your part.

If you have any questions, please feel free to contact your Littelfuse Customer Service or Inside Sales Representative. We appreciate your business and our continued partnership.

Sincerely,

*Cristal Furini*
