Subject: Manufacturing capacity expansion of ICP Fuse Blocks, Covers and Accessories

Document Number: LFPCN_PG0221

Date: 13th October 2025

We are pleased to announce that Littelfuse is expanding its manufacturing footprint with the addition of a new facility in **Thailand**. This strategic expansion is aimed at increasing our production capacity, enhancing supply chain resilience, and strengthening our ability to serve our global customer base more effectively.

Please refer to **Annex A** for the detailed list of affected SKUs associated with this manufacturing expansion.

These products will begin to be available starting from March 2026, with a phased rollout continuing throughout the year, subject to inventory levels and prevailing business conditions.

Please note that there will be no impact on the Form, Fit or Function because of this change.

We appreciate your continued partnership and support. Should you have any questions or require additional information, please do not hesitate to contact your Littelfuse representative.

Sincerely,

Prashant Kulkarni
