Part Series Affected: TDH50 Series

Description of Change: Ohmite is announcing the re-activation of the TDH50 series.

Reason for Change: Ohmite originally discontinued the TDH50 series due to issues with a supplier for the series. Ohmite is pleased to announce that we have found an alternative supplier and are able to re-introduce the series.

Expected Influence on Quality/Reliability/Performance: The new TDH50 series will have largely the same performance, reliability, and quality as the old version. There are some differences in specifications and dimensions that can be seen on [the new datasheet](#).

Effective Date: 12/8/2025

Sample Availability Date: Reach out to Ohmite today if interested in a sample of our new TDH50 Series.

Qualification Data: Please contact Ohmite if you're interested in data for the new TDH50 series.
