| Publication Date | 21/05/2026 |
| Effectivity Date | From 1 st July 2026 |
| Change Summary | Organisation Name Change from OMRON Electronic Components to Aratas Corporation |
| Part Number(s) | All Omron Parts |

Dear Customer,

We would like to inform you of an upcoming corporate reorganisation affecting OMRON Electronic Components Europe B.V.

As part of a global reorganisation by Omron Corporation, the Device & Module Solutions business will transfer to a newly established company, Aratas Corporation, with effect on or around 1 July 2026. As a result, ownership of OMRON Electronic Components Europe B.V. will move to Aratas Corporation and the company name will change.

There is no impact to you the customer as all existing agreements, including products and services will remain the same as before.

As part of this change, there will be a new corporate brand logo. Existing product brands (the "OMRON" brand) will be transitioned to the new brand gradually, such as when products are replaced or renewed. Further details to come on this.

It's anticipated that full separation will be complete from 1st October 2026.

Please make the relevant person(s) in your organisation aware of this change.

Yours sincerely,

Anglia
