## Product Change Notification (PCN)

### Wireless Modules PAN1780 Series

#### Transition to per- and polyfluoroalkyl substances (PFAS) free nRF52840-CKAA

Date: June 16<sup>th</sup>, 2025  
No.: IN - 049

Reason for change	Compliance to European Chemicals Agency's (ECHA) to restrict the use of PFAS
Affected types	ENW89854A1KF, ENW89854A3KF, ENW89854A4KF, ENW89854C1KF, ENW89854C2KF
Schedule	Immediate change, depending on stock availability, both PFAS and PFAS-free build codes may coexist until inventory is depleted
Description of change	To be compliant with European Chemicals Agency's (ECHA) regulation Nordic has transit the bump material of nRF2840-CKAA to PFAS free bump material
Consequence of change	The above part numbers will change from PFAS to PFAS-free configurations. No change to fit, function or quality/reliability. Depending on stock availability, both PFAS and PFAS-free build codes may coexist until existing inventory is depleted.
