

## Product Change Notification

Dear Valued Customer,

We extend our sincere gratitude for your continued support of Panasonic. Your loyalty and dedication to Panasonic products have been vital to us.

In our continuous pursuit of excellence, we are committed to making adjustments to ensure that we offer the best solutions to meet your needs. Therefore, we would like to inform you of an upcoming change regarding **part of our Chip-Type Multilayer Metallised Film Capacitors ECHU(X) series.**

Below are the details of the affected products:

Affected Product	Parts of ECHU(X) Series (16VDC, 50VDC models) (Please refer to the affected Part Number list)
Change	Change of internal solvent blended in the phenolic resin used as the raw material for the conductive resin paste of external electrodes (no change in resin solids content)  Internal Solvent: Solvent A → Solvent B  <i>**Note: The relevant solvent does not remain after resin curing. No impact on product performance (mountability, electrical characteristics, etc.).</i>  For more details, please refer to the attached Explanation Document.
Effective date	Production from August 2026
Reason	Discontinuation notice and change request from the supplier
Acknowledgement	Deadline for signature: 31 <sup>st</sup> May 2026  If we have not received a returned acknowledgement form on or before the above date, we will conclude that the acknowledgement has been received and approved.

We understand that changes like these may impact your operations, and we apologize for any inconvenience this may cause. Our team is fully prepared to support you during this transition period and provide assistance as needed.

Thank you for your understanding and continued support as we strive to deliver superior products and services to you.

Best regards,

Panasonic Industry Europe GmbH
