Product change notification (PCN)

Title / short description	Change of screw surface finish
Affected article category	PCB terminal blocks and PCB connectors
Change category	Material
Change number	CAA260138-00
Reason for PCN/PDN Revision	

Purpose/objective of the change

Change of screw surface finish

Detailed description of the change

We are changing the surface finish of the screws from a custom specification to a standard zinc plating. This ensures that the screws and the associated mounting brackets have the same surface finish. This change secures continued product availability. The affected items are listed in this PCN. The change has no impact on form, fit, function, or approvals.
