

**PRODUCT / PROCESS CHANGE INFORMATION**

**1. PCI basic data**

|                      |                                                                                   |                                      |
|----------------------|-----------------------------------------------------------------------------------|--------------------------------------|
| 1.1 Company          |  | STMicroelectronics International N.V |
| 1.2 PCI No.          | ANALOG MEMS SENSORS/26/16292                                                      |                                      |
| 1.3 Title of PCI     | PSSO16 package: Migration from ETS364 to Hatina-ext.                              |                                      |
| 1.4 Product Category | Ple refer to impacted Products List                                               |                                      |
| 1.5 Issue date       | 2026-06-17                                                                        |                                      |

**2. PCI Team**

|                                  |                      |
|----------------------------------|----------------------|
| <b>2.1 Contact supplier</b>      |                      |
| 2.1.1 Name                       | PIKE EMMA            |
| 2.1.2 Phone                      | +44 1628896111       |
| 2.1.3 Email                      | emma.pike@st.com     |
| <b>2.2 Change responsibility</b> |                      |
| 2.2.1 Product Manager            | Vito GRAZIANO        |
| 2.1.2 Marketing Manager          | Stello Matteo BILLE' |
| 2.1.3 Quality Manager            | Daniela FAZIO        |

**3. Change**

|                        |                                        |                            |
|------------------------|----------------------------------------|----------------------------|
| 3.1 Category           | 3.2 Type of change                     | 3.3 Manufacturing Location |
| General (Test Program) | Testing platform (single to parallel). | Different Locations        |

**4. Description of change**

|                                                                                       |                        |                       |
|---------------------------------------------------------------------------------------|------------------------|-----------------------|
|                                                                                       | Old                    | New                   |
| 4.1 Description                                                                       | ETS364 //4-single test | Hatina-ext -trip test |
| 4.2 Anticipated Impact on form,fit, function, quality, reliability or processability? | No Impact              |                       |

**5. Reason / motivation for change**

|                      |                    |
|----------------------|--------------------|
| 5.1 Motivation       | Capacity Increase. |
| 5.2 Customer Benefit | CAPACITY INCREASE  |

**6. Marking of parts / traceability of change**

|                 |         |
|-----------------|---------|
| 6.1 Description | New FGs |
|-----------------|---------|

**7. Timing / schedule**

|                                     |              |
|-------------------------------------|--------------|
| 7.1 Date of qualification results   | 2026-04-10   |
| 7.2 Intended start of delivery      | 2026-05-15   |
| 7.3 Qualification sample available? | Upon Request |

**8. Qualification / Validation**

|                                                    |             |            |  |
|----------------------------------------------------|-------------|------------|--|
| 8.1 Description                                    |             |            |  |
| 8.2 Qualification report and qualification results | In progress | Issue Date |  |

**9. Attachments (additional documentations)**

|                          |
|--------------------------|
| 16292 Public product.pdf |
|--------------------------|

| 10. Affected parts      |                         |                          |
|-------------------------|-------------------------|--------------------------|
| 10. 1 Current           |                         | 10.2 New (if applicable) |
| 10.1.1 Customer Part No | 10.1.2 Supplier Part No | 10.1.2 Supplier Part No  |
|                         | VN9016AJTR              |                          |

## **IMPORTANT NOTICE – PLEASE READ CAREFULLY**

Subject to any contractual arrangement in force with you or to any industry standard implemented by us, STMicroelectronics NV and its subsidiaries ("ST") reserve the right to make changes, corrections, enhancements, modifications, and improvements to ST products and/or to this document at any time without notice. Purchasers should obtain the latest relevant information on ST products before placing orders. ST products are sold pursuant to ST's terms and conditions of sale in place at the time of order acknowledgement.

Purchasers are solely responsible for the choice, selection, and use of ST products and ST assumes no liability for application assistance or the design of Purchasers' products.
