

**PRODUCT / PROCESS CHANGE INFORMATION**

**1. PCI basic data**

|                      |                                                                                   |                                      |
|----------------------|-----------------------------------------------------------------------------------|--------------------------------------|
| 1.1 Company          |  | STMicroelectronics International N.V |
| 1.2 PCI No.          | EMBEDDED PROCESSING/26/16326                                                      |                                      |
| 1.3 Title of PCI     | SR5E1x (FT70): Documentation Update                                               |                                      |
| 1.4 Product Category | see list                                                                          |                                      |
| 1.5 Issue date       | 2026-04-30                                                                        |                                      |

**2. PCI Team**

|                           |                           |
|---------------------------|---------------------------|
| 2.1 Contact supplier      |                           |
| 2.1.1 Name                | PIKE EMMA                 |
| 2.1.2 Phone               | +44 1628896111            |
| 2.1.3 Email               | emma.pike@st.com          |
| 2.2 Change responsibility |                           |
| 2.2.1 Product Manager     | Patrick AIDOUNE           |
| 2.1.2 Marketing Manager   | Emiliano Mario PICCINELLI |
| 2.1.3 Quality Manager     | Pascal NARCHE             |

**3. Change**

|                          |                                              |                            |
|--------------------------|----------------------------------------------|----------------------------|
| 3.1 Category             | 3.2 Type of change                           | 3.3 Manufacturing Location |
| General Product & Design | Modification of datasheet : Errata/error fix | NA                         |

**4. Description of change**

|                                                                                       |                                                |                                                |
|---------------------------------------------------------------------------------------|------------------------------------------------|------------------------------------------------|
|                                                                                       | Old                                            | New                                            |
| 4.1 Description                                                                       | Reference Manual rev. 5<br>Safety Manual rev.1 | Reference Manual rev. 6<br>Safety Manual rev.2 |
| 4.2 Anticipated Impact on form,fit, function, quality, reliability or processability? | No impact                                      |                                                |

**5. Reason / motivation for change**

|                      |                      |
|----------------------|----------------------|
| 5.1 Motivation       | Documentation update |
| 5.2 Customer Benefit | SERVICE CONTINUITY   |

**6. Marking of parts / traceability of change**

|                 |                                                            |
|-----------------|------------------------------------------------------------|
| 6.1 Description | Reference and Safety manual available through Sales Office |
|-----------------|------------------------------------------------------------|

**7. Timing / schedule**

|                                     |                |
|-------------------------------------|----------------|
| 7.1 Date of qualification results   | 2026-04-27     |
| 7.2 Intended start of delivery      | 2026-05-03     |
| 7.3 Qualification sample available? | Not Applicable |

**8. Qualification / Validation**

|                                                    |                            |            |            |
|----------------------------------------------------|----------------------------|------------|------------|
| 8.1 Description                                    | 16326 Details.pdf          |            |            |
| 8.2 Qualification report and qualification results | Available (see attachment) | Issue Date | 2026-04-30 |

**9. Attachments (additional documentations)**
