PCN

Additional production site for B3271*H film capacitors in Nashik

To further increase delivery flexibility, the B3271*H series of DC film capacitors will be produced at the plant in Nashik/India in addition to the plant in Zhuhai FTZ/China. This additional production site applies to standard ordering codes as specified in the product datasheet.

Customer-specific ordering codes, including 18-digit ordering codes ending Z09, K05, and M05, are not affected.

There will be no change in the electrical and mechanical specifications of the affected products.

Affected products

Ordering code
B3271xH*

Scheduled date of change: February 16, 2026
 Estimated date of first deliveries: February 16, 2026
 (or earlier, with written approval by the customer)

Enclosure PCN (ID No. Film 25.039)

Product / Process Change Notification

1. ID No. Film 25.039		2. Date of announcement: October 31, 2025	
3. Product / product group Film DC capacitors	Old ordering code B3271xH*	New ordering code no change	Customer part number n.a.
4. Description of change Inclusion of Nashik/India as second factory to supply above mentioned products besides Zhuhai/China. The B3271*H series of film capacitors will be produced at the Nashik plant (India), in addition to the Zhuhai FTZ plant (China). This additional production site is valid for standard ordering codes as per product datasheet. Customer specific ordering codes, including 18-digit codes ending Z9 / K5 / M5 are not affected.			
5. Effect on the product or for the customer (benefit, quality, specification, lead time) No change to electrical and mechanical specification. The release of Nashik will give a higher delivery flexibility to the customer.			
6. Quality assurance measures / risk assessment Full qualification of Nashik production as per TDK guidelines.			
7. Scheduled date of change February 16, 2026 (or earlier with written approval from the customer)			
8. Estimated date of first delivery of changed product February 16, 2026 (or earlier with written approval from the customer) If TDK Electronics AG does not receive notification to the contrary within a period of 10 weeks, TDK Electronics AG assumes that the customer agrees to the change. <input type="checkbox"/> For an interim period we cannot rule out that old as well as new products will be shipped. <input checked="" type="checkbox"/> Future shipments can consist of old and new products as the new changed product is used as an alternative to the old product.
