

PCN - Product Change Notification

Product Group: FKS 2	PCN No.: PCN-FKS2-2023-0001	Date: 04.12.2023
-----------------------------	------------------------------------	-------------------------

Description of Change:	In addition to the existing Silver marking, the type WIMA FKS 2 is now also manufactured with Black marking. The used raw material, electrical, mechanical or production specifications remain unchanged. Only the black pigmentation of the marking is added, the difference is exclusively optical. The Silver marking is phased out gradually.
-------------------------------	---

Classification of Change:	Minor Change
----------------------------------	--------------

Reason for Change:	Process rationalisation
---------------------------	-------------------------

Part No./Series/Product Group affected*:	All FKS 2 values identifiable by FKS2 on digit 1-4 of the part number
---	---

Example: FKS2_-----

* All above mentioned part numbers are only related to the WIMA main catalog (standard products).

Note:	No changes of the components electrical or mechanical parameters, quality, reliability, life-time expectation and process ability. No impact on test specification reference.
--------------	---

Quality Note:	Not applicable
