

PCN - Product Change Notification

Product Group: MKS 02	PCN No.: PCN-MKS0-2023-0001	Date: 04.12.2023
------------------------------	------------------------------------	-------------------------

Description of Change:	In addition to the existing Silver marking, the type WIMA MKS 02 is now also manufactured with Black marking. The used raw material, electrical, mechanical or production specifications remain unchanged. Only the black pigmentation of the marking is added, the difference is exclusively optical. The Silver marking is phased out gradually.	
Classification of Change:	Minor Change	
Reason for Change:	Process rationalisation	

Part No./Series/Product Group affected*:	All MKS 02 values identifiable by MKS0 on digit 1-4 of the part number
---	--

Example: MKS0_-----

* All above mentioned part numbers are only related to the WIMA main catalog (standard products).

Note:	No changes of the components electrical or mechanical parameters, quality, reliability, life-time expectation and process ability. No impact on test specification reference.
--------------	---
