Factory and Country of Origin approval request
on Panasonic SMT Aluminum Electrolytic Capacitors
(Panasonic Electronic Devices Malaysia Sdn. Bhd (PEDMA) / Malaysia)

Dear Madam and Sir,

First of all, we would like to express our sincere appreciation for your support for Panasonic capacitor business. We are currently already producing SMT Aluminum Electrolytic Capacitors globally at two locations (as shown below) while we are mainly using Japan for our European customers:

- * Japan: Panasonic Electronic Devices Japan Co., Ltd. - Aluminum Capacitor Division (PEDJ Yamaguchi)
- * Malaysia: Panasonic Electronic Devices Malaysia Sdn. Bhd. (PEDMA)

In order to keep the stable global supply chain we have been increasing the production capacity especially in Malaysia for the business growth in the future to offer you most of our product range from two locations.

Due to above reasons, we would like to ask you for your support to approve the factory in Malaysia (PEDMA) additionally in order to keep offering more global service to you.

Contents of additional location:

SMT Aluminum Electrolytic Capacitors:

- Panasonic P/Ns: Prefix: EEE/EEV/ECEV
- 1) Low ESR Type: FC, FK, FP, FT Series
 - 2) 85°C Type: VS Series
 - 3) 105°C Type: HA, HB, HC, HD Series

Exemptions (will be only produced in Japan until further notice):

- suffix Q, M – large can types (Ø10x13.5mm to Ø18mm)
- Suffix V – Anti-Vibration types
- Suffix F – pure tin terminal types

Of course, we guarantee same product specification both in Malaysia (PEDMA) and in Japan (PEDJ Yamaguchi).
