## Modification Notice

December 26, 2011

Power Relay

No.MK-111226

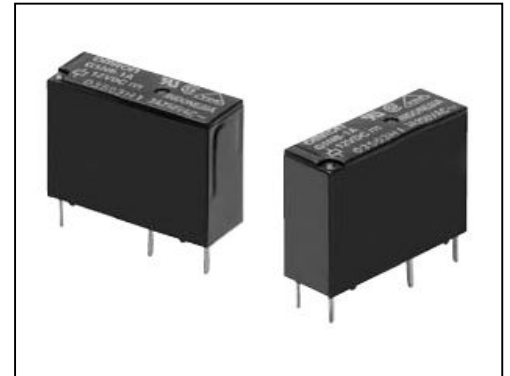

Notification for additional method of case marking and additional product code of G5NB of made in China

**[ Effective Date ]**

Effective as of our production in August, 2012

**[ Applicable Model ]**

Made in China of G5NB

**[ Changes ]**

Before the change	➔	After the change
Case marking methpd  UV ink (By manual line)		Case marking methpd  UV ink (By manual line) + Laser marking(By automation line)  * Add new automation line

**[ Reason for change ]**

Additional automation line for delivery

**[ Change of products specification ]**

Unnecessary

## [ Add new product code for laser marking product ]

Current by manual line		Additional automation line
