Product change notification (PCN)

Title / short description	Material change
Affected article category	Electronic housing
Change category	Form and appearance
Change number	PAC210009-00
Reason for PCN/PDN Revision	

Purpose/objective of the change

Safeguarding of supply capability

Detailed description of the change

An additive for the previous plastic raw material is no longer available, meaning that the supplier has to change the composition at short notice. This will lead to a slight change in color. Unfortunately, there are no alternatives and therefore, to safeguard supply capability, this change must be made at short notice.
