Purpose/objective of the change

Relocating production from China to India

Detailed description of the change

Phoenix Contact operates a continuous improvement process throughout its product creation and manufacturing chain. To help us continue to meet the increasing global demands our customers in future, we are relocating production for the aforementioned items. The product relocation has absolutely no impact on the dimensions, technical data, color, approvals, or functionality. The OLD to NEW version states can be freely combined.

Identifying characteristics

All modified items can be identified by the incremented production batch and specified country of origin.
