PCN Ref Nº: New housing design for the PT10 and PTC10 series.

Please be advised that we are upgrading the housing design for the PT10 AND PTC10 potentiometer series. This change is *backward compatible* with the current tooling design and it is including rotor position marks in the front and having a flat front surface with "PIHER" text instead of "PIHER SPAIN". Mechanical and electrical specifications remain unchanged. This change will be effective starting April 1st, 2021.
