Product Change Notice (PCN)

June 13th, 2025

LFPCN# 41553

Product Change Notification for 2Pro Product Series – Epoxy Coating Change

To whom it may concern,

Littelfuse would like to notify you of a change related to the epoxy coating of the 2Pro product series. Due to obsolescence of the current epoxy coating by our supplier, Littelfuse has qualified alternative epoxy coating material. This change has no impact to product's original electrical parameters, dimensions, quality, reliability and part numbers.

This change will be implemented starting from **September 15th, 2025**. During the change transition period, customers are expected to receive current and new products until current product inventory in Littelfuse warehouses and distribution channels are depleted.

Please see the affected part number list and respond to us by **July 30th, 2025** to acknowledge this product change notification. If we do not hear from you, we will expect this product change notification has been accepted and no further action is required.
