**Notification of Product/Process Change****Doc. No.: 4022005**

This letter intends as a formal notification of change to products which are currently supplied by ROHM Co., Ltd.

ROHM Co., Ltd. requires customers to provide acknowledgment of the receipt of this notification within 30 days from the date of this notice. Lack of acknowledgment of this notice within 30 days is considered as acceptance of the change.

After acknowledgement of the customer, lack of additional response within 90 day period constitutes acceptance of the change according to JEDEC Standard J-STD-046.

Your understanding and cooperation would be highly appreciated.

Issue Date: September 1, 2022

Title of change	Power diode_PMDTM terminal plating additional application for in-house plating	
Identification of change	Although it cannot be identified with only actual item, it can be identified by history investigation of Lot No.	
Affected product(s)	Manufacturer part number	Customer part number
	PMDTM	
Detailed description of change	Before	After
	Only outsourcing plating	Parallel delivery of outsourcing plating and in-house plating
Reason for change	It becomes difficult for outsourced companies to conduct plating processing due to the recent semiconductor shortage. Therefore, in-house terminal plating is proceeded with in order to continue to supply ROHM's product stably. This application is request for parallel delivery of outsourced products which are continued to be produced and in-house products which would like to be produced in the future.	
Anticipated impact on form, fit, function, quality or reliability	The construction method, plating material, and plating thickness are the same, and it has been confirmed by evaluation that there is no difference in quality.	
Planned first ship date	Mai,6,2023	
Qualification plan schedule, results and samples	If required, please contact the local ROHM sales office or the authorized distributor.	
Comments		
Supplier contact	Please contact the local ROHM sales office or the authorized distributor.
