

PCN Number	TAI-TDNMB2-251023
Publication Date	25/10/2023
Effectivity Date	Immediate
Change Summary	TDN Plating Change

Dear Customer,

We have been advised by Taicom that the following DIN 41612 connector parts will have a contact material change to improve durability.

Currently, the contact finish is Phosphor bronze or brass gold over nickel plated. This will be replaced with a selective Gold plating process.

Anglia Part Numbers Affected
TDN32MB2
TDN64MB2

There is no change to the form, fit and function of the parts and apply with immediate effect to shipments from manufacturer to Anglia.

Anglia operates a strict FIFO system in our Distribution Centre facility; therefore, it may take time for this change to filter through to customer deliveries of the below part number(s).

Please make the relevant person(s) in your organisation aware of this change.

Yours Sincerely

Anglia
