September 2008

### Silicon Chip Change

Effective immediately, Bourns® Thyristor Surge Protectors Product Group is changing the silicon chip used to manufacture the [TISP8200MDR-S](#) and [TISP8201MDR-S](#) to the chip used in the [TISP8210MDR-S](#) and [TISP8211MDR-S](#) respectively.

There is no change to form, fit or function.

If you have any questions or require assistance, please contact Bourns Inside Sales Department or your local sales representative.
