All associated tape/reel options of special parts will also be affected.

Description and Extent of Change:

1. To introduce black colored reel as an alternative to blue colored reel of Tape/Reel packaging.
2. To introduce yellow tape as an alternative to ESD tape used on Tape/Reel packaging.

Reasons for Change:

To introduce alternative material supply source to ensure uninterrupted supply of component packaging and labeling material.

Effect of Change on Fit, Form, Function, Quality, or Reliability:

There will be no effect on component/device specification and performance.

Effective Date of Change:

Product shipments using this change will begin with datecode starting from 0727.

Qualification Data:

Qualification is not required for this change. However the picture of component packaging and labeling material appearance may be made available upon request.

These changes have been reviewed and approved by Avago Technologies engineers and managers per Avago Technologies' procedure: Change Control and Customer Notification, A-5962-6052-80.

Please contact your Avago Technologies field sales engineer or Contact Center (<http://www.avagotech.com/contact/>) for any questions or support requirements. Please return any response as soon as possible, but not to exceed 30 days.
