

Product Change Notice

Date: 25 May 2007

Change Type:

Avago Technologies has qualified alternate GaP die for Chip LEDs.

Parts Affected:

Description and Extent of Change:

The selected die shall be the alternate choice for ChipLEDs, which will serve the same functionality as the existing die.

Reasons for Change:

To ensure continuous supply of the above mentioned part numbers

Effect of Change on Fit, Form, Function, Quality, or Reliability:

There is no change of fit, form and function as per datasheet. Qualification and characterization has been conducted with the new dice to ensure the performance is acceptable. The alternate dice show its performance is comparable to the existing dice.

Effective Date of Change:

The shipment of alternate dice source will begin from 25 August 2007

Qualification Data:

Qualification data has been generated and approved. It will be available upon request.

These changes have been reviewed and approved by Avago Technologies engineers and managers per Avago Technologies procedure: Change Control and Customer Notification, A-5962-6052-80.

Please contact your Avago Technologies field sales engineer or Contact Center (<http://www.avagotech.com/contact/>) for any questions or support requirements. Please return any response as soon as possible, but not to exceed 30 days.
