

Product Change Notice

Last Update: 2018/10/25

PAPS Announcement:

We have recently received product change notice from manufacturer for the following products. This announcement takes effective immediately. Please review this notice carefully and contact with product manager or your regional PAPS representatives, should you have any question.

Description of the Change

Samsung DDR3 IC P/N merge DDR3/DDR3L-1600 & DDR3L-1866 to DDR3L-1866 IC. DDR3L-1866 is compatible with DDR3-1866 and DDR3/DDR3L 1600, which is tested with same condition and use same die version.

There is only IC change and support backward compatibility. The module level spec will keep 1600Mhz speed, no affect to spec & function.
