

Change to Visual Appearance of Cree® XLamp® XH-G LEDs

PCN-CM087

Announcement Date: August 31, 2016

Implementation Date: Immediately

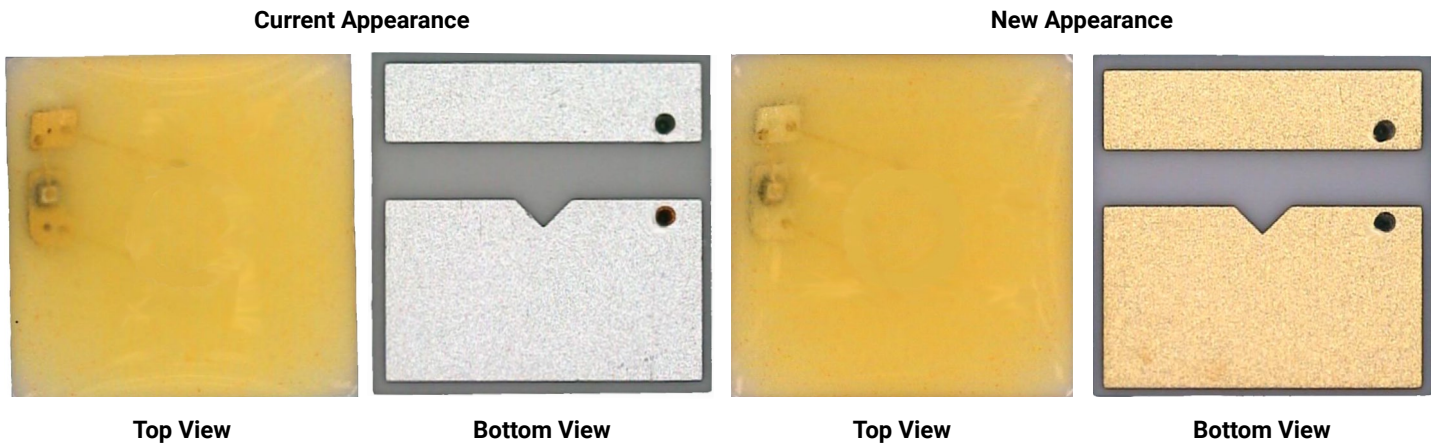

This notification applies to the following Cree product series:

XHGAWT-XX-XXXX-XXXXXXXXXX

No customer action is required.

CHANGE DESCRIPTION

Cree will begin shipment of XLamp® XH-G LEDs with a different visual appearance. Examples of XLamp XH-G LEDs with the current and new visual appearances are shown in the pictures below. These new appearance XLamp XH-G LEDs meet the product specifications stated in the data sheet.

IMPACT OF CHANGES

Beginning immediately, Cree will begin shipment of XLamp XH-G White LEDs with a new visual appearance. Each reel of XLamp XH-G LEDs will contain LEDs with either the current visual appearance or the new visual appearance. Current and new visual appearance XLamp XH-G LEDs will not be mixed on a reel. Customers may receive shipments containing both the current and new appearances in the same shipment until Cree’s inventory of the current appearance LEDs is depleted. Customers purchasing through a distributor will be further delayed to see this change until the inventory with the current appearance is depleted from distributor stock.

No customer action is required.
