No customer action is required.

IMPACT OF CHANGE

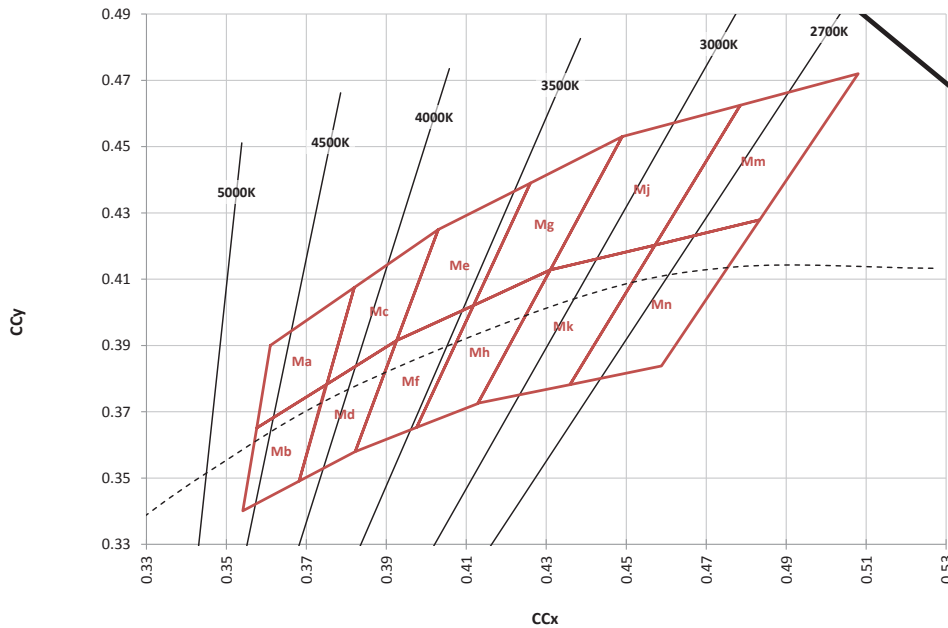

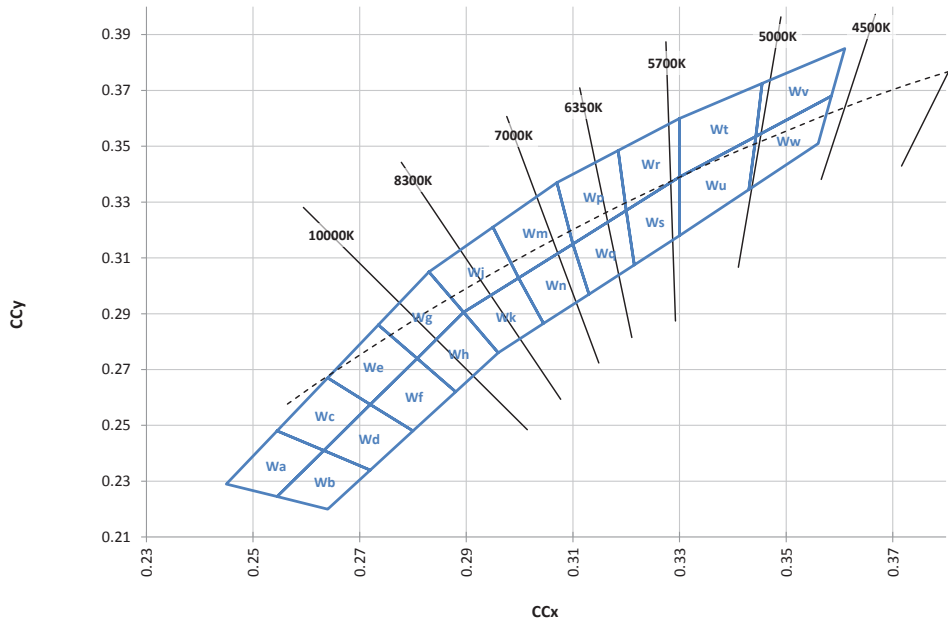

Effective immediately, Cree will ship all P2 and P4 white LEDs sorted to the new 1/16 color bin format shown on the following pages.

No customer action is required.

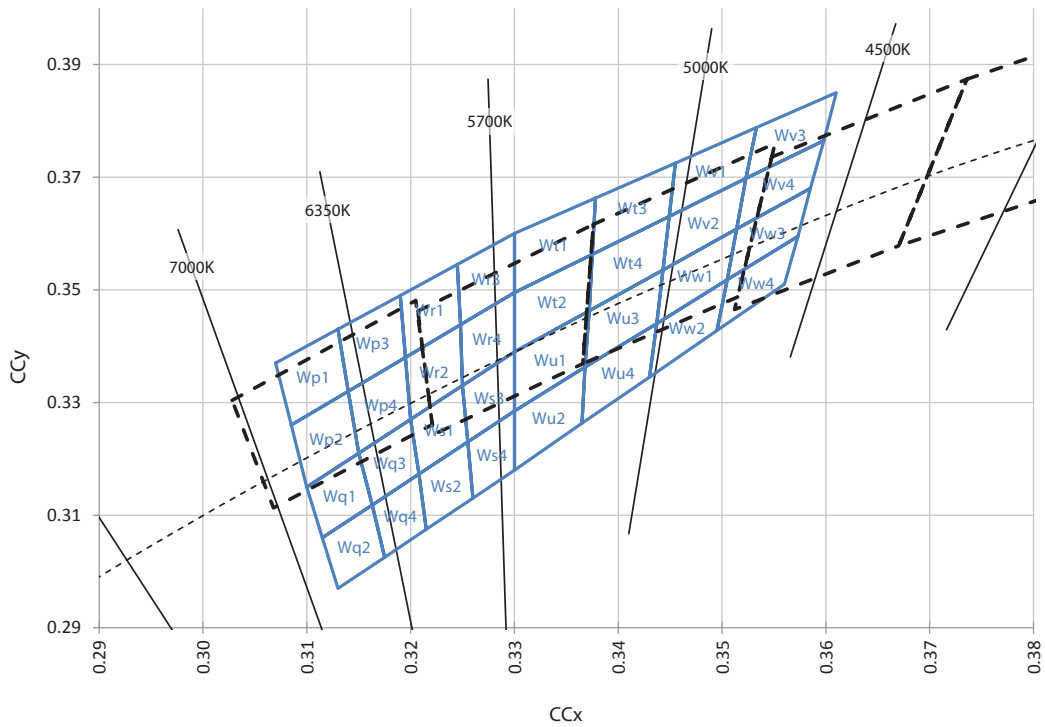

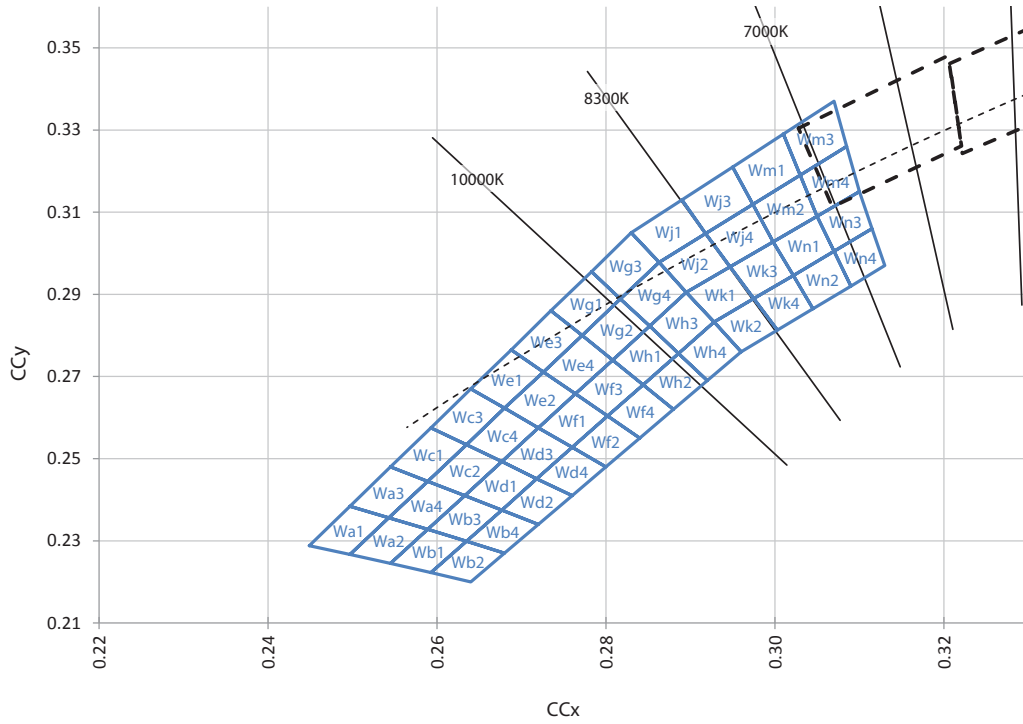

CHANGE DESCRIPTION

Cree will begin shipment of all P2 and P4 white LEDs in the new 1/16 bin format described below. No kit codes change in the new color bin format. Please refer to the product data sheets for the new bin coordinates.
