

## Change to Visual Appearance of Cree® XLamp® XP-L LEDs

### PCN-CM052

**Announcement Date: August 19, 2014**

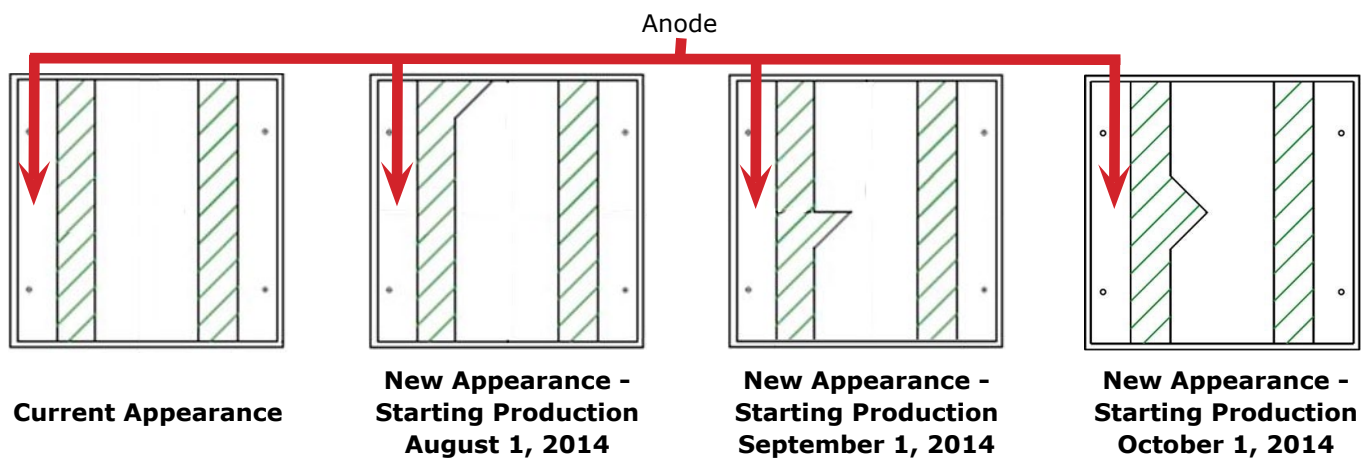

**Implementation Date: Immediately**

This notification applies to the following Cree order codes:  
XPLAWT-XX-XXXX-XXXXXXXXXX

No customer action is required.

### CHANGE DESCRIPTION

Cree will begin shipment of the XLamp® XP-L LEDs listed above with a change to the location of the anode indicator. Examples of the XLamp XP-L LED with the different anode indicator locations are shown in the pictures below. All of these visually different XLamp LEDs meet the product specifications stated in the data sheet.

### IMPACT OF CHANGE

Beginning August 1, 2014, Cree will begin shipments of XLamp XP-L LEDs with different visual appearances. Customers may receive shipments containing both the previous and new visual appearance in the same shipment until Cree's inventory of the old visual appearance LEDs is depleted.

No customer action is required.
