The relocation does not affect the electrical and/or mechanical specifications of the products or their performance. The plant in Brazil is qualified to IATF 16949 and produces at the same quality level as the plant in China.

Deadline for last orders for Zhuhai: November 27, 2020
Planned last shipments from Zhuhai: March 31, 2021

Planned sample availability from Gravataí: September 14, 2020
Planned first delivery from Gravataí: January 1, 2021
(or earlier with separate approval)

During the changeover, mixed deliveries can be made from different locations. After completion of the relocation towards the end of January 2021, capacitors will be supplied exclusively from Gravataí. Customers are kindly asked to place their requirements as long-term as possible in order to simplify the relocation process
